WEEKEND GETAWAYS HELP CHECKLIST

As you pack up for your visit to Green Lake, take a look at our handy checklist. We've put together all of the items you'll need—for either warm or cold weather—to make your stay in Wisconsin's undiscovered jewel even more enjoyable.

Day 1

Start your vacation off right with a hearty breakfast at one of our restaurants. After all, vacations are all about eating whatever you want, and Green Lake offers the best in comfort food.

After breakfast, enjoy one of our year-round special events, like the Chalk Art Festival in July or the "From the Land" Folk Art Festival in October. Follow your morning fun up with water skiing and take in the full beauty of the lake.

Once you've spent a long day on the water in the sun, take your time getting ready for an early dinner at one of our charming restaurants.

Day 2

Get an early start on the day by fishing on the calm waters of Green Lake. Then head into town for brunch and an afternoon of shopping.

Rejuvenate and get a picture of all of the beauty surrounding the lake by taking a bike ride on one of our many trails. Be sure to bring your camera to capture those memorable moments.

Take a relaxing bubble bath to sooth your muscles from biking and then head to dinner and a performance at the Thrasher Opera House.

Day 3

This is your day to really get back to nature by heading out to one of our campsites. Spend the day and night at your pick of sites either right in Green Lake or just beyond its borders. Be sure to bring your burgers, buns and bug repellent.

Day 4

Today's the day to play a round of golf on one of our remarkable golf courses. Then when you're through, de-stress from the game and relax over breakfast or lunch at any number of restaurants.

To keep your mellow afternoon going, take a stroll through one of the parks before enjoying a refreshing swim in the lake or pool.

By evening you'll be ready to show off the tan you've acquired at Green Lake, so plan for an early evening out in one of our neighboring towns. You'll find even more opportunities for fun and entertainment in the surrounding areas.

Day 5

Wake up early for a canoe or kayak ride and watch the morning sun bask the lake in its glow. Stop for breakfast afterwards and then make a date for a mid-day horseback ride. Settle down and read the paper or look out over the water before getting ready for dinner at our enticing restaurants. Then end your day and vacation with a romantic evening sailboat ride.
